REAR COOLER CONTROL

1 2 3 4

ON-OFF

A close-up photograph of a car's rear cooler control panel. The panel is black with a white outline. It features a rotary knob on the left with four positions labeled '1', '2', '3', and '4'. To the right of the knob is a small white fan icon. Further right is a toggle switch labeled 'ON-OFF' with a red fan icon on its top. The panel is mounted on a black leather-like surface. To the left and right of the panel are plastic-wrapped items, likely seats or cargo. Below the panel is a black rectangular button.
